2024/2023

نوع المجلة "محلية – إقليمية-دولية"	اسم المجلة	تاريخ البحث	عنوان البحث	المؤلف
International	*Statistics, Politics and Policy*	**2024**	Measures of Lifespan Length and Variation Using a Mixture Model: The Case of Egypt"	أ.د.حسين عبدالعزيز أ.د.ليلى الزينى
International	International Journal of Reliability, Quality and Safety Engineering	2023	Bayesian Analysis for Dependent Progressively Censored Weibull competing Risks using Copulas	د. مرام مجدي محمد الدسوقي سالم
International	Frontiers in Applied Mathematics and Statistics. Vol.9	2023	A mixed effects change point quantile regression model for longitudinal data with application on COVID-19 data	أ.د.عبدالناصر سعد ا.د.أحمد جاد د.وفاء ابراهيم
International	Communications in Statistics - Simulation and Computation	2024	variable selection and parameters estimation for longitudinal data subject to missingness and covariates measurement error	أ.د.عبدالناصر سعد ا.د.أحمد جاد د.وفاء ابراهيم
International	PLoS One	2023	National screening for developmental delays and their determinants among Egyptian school age children: A step towards implementing life skills programs	أ.د.زينب خضر
International	BMC Pediatr	2023	Screening and determinant of suspected developmental delays among Egyptian preschool-aged children: a cross-sectional national community-based study..	أ.د.زينب خضر
International	BMC Public Health	2023	A national screening for the prevalence and profile of disability types among Egyptian children aged 6-12 years: a community-based population study	أ.د.زينب خضر
International	BMC Psychiatry	2023	Prevalence and risk factors of disabilities among Egyptian preschool children: a community-based population study	أ.د.زينب خضر
International	Communications in	2024	Multi-objective mathematical	أ.د.رمضان حامد

	Statistics - Simulation and Computation		programming approach for multivariate compromise allocation for stratified random sampling	أ.د.زينب خضر، ا.د.محمود رشوان
International	Communications in Statistics - Simulation and Computation	2024	Phase II monitoring of zero inflated Poisson regression profiles	أ.د.ايه أنس
International	Journal of Applied Statistics	2023	Functional data analysis of the relationship between electricity consumption and climate change drivers	د.أميرة العيوطي
International	Contemporary Mathematics	2023	Generating Pareto Optimal Solution for Multi-objective Optimization Problems using Goal Programming	أ.د.رمضان حامد أ.د.محمود صطفي رشوان
International	Quality Technology & Quantitative Management	2023	An equivalence between multivariate cumulative sum control charts	أ.د.محمود السعيد أ.د.نسمة علي صالح
International	Quality Technology & Quantitative Management	2023	A re-evaluation of repetitive sampling techniques in statistical process monitoring	أ.د.محمود السعيد أ.د.نسمة علي صالح
International	BMC Women's Health	2024	Applying the structural equation model approach to study the simultaneous relationship between women's empowerment and mental disorder in Egypt	أ.د.دينا مجدى
ternatio	International Journal of Development Issues,	2023	Can monetary poverty measurement detect multidimensionally deprived? Evidence from Egypt,	أ.د.هبه الليثى
