Community Developmental Activities:

1) **As secretary general** of Cairo University council of community and environmental development from 1999 to 2002, **founded** and supervised the Cairo university program that consisted of 12 convoys aiming to develop populated areas and villages within Giza governorate including area of northern oasis.

These convoys included 750 students and 150 Faculty members from Cairo University, and number of officials, employees, businessmen and public figures from the Giza governorate department.

Such convoys included the following activities:

- Combating illiteracy convoy

- Rural women development convoy
- Computer skills development convoy
- Raising health awareness convoy
- Raising environmental awareness convoy
- Cleaning and decorating convoy
- Medical convoy
- Veterinary convoy

2) **Chairing** the Giza schools contest since its establishment in 2001 till present. That contest aims at raising public awareness of students and teachers, and encouraging them to take part in activities of cleaning and decorating their schools. The contest encourages the engagement in national contests on different extra curriculum artistic sportive and literary activities, and in connecting Giza schools students to their immediate neighboring districts in the manner that helps developing such districts.

Developmental Activities of the Department of Political Science:

As Chairman of the Department of Political Science have led efforts aiming at:

- Revising and improving the BA Courses Program in Cooperation with the Ford Foundation along highly reputed international standards adopted by famous universities in North America, Western and Eastern Europe, Asia and South Africa. 16 required BA courses have already been developed. Other programs of teaching assistants capacity building, monthly academic seminars on cultural approaches of studying politics have also been carried out during my chairmanship of the department of Political Science, Cairo University.
