- Attended a workshop organized by Cairo University on "The Initiative of Raising Awareness about MDGs" in December 2011.

April 2011-
Present

2. General Authority for Investment and Free Zones (GAFI), Cairo, Egypt

February
2010- April
2011

Researcher

- Worked firstly in the Board of Trustees, where I:
 - ✓ Called members and organized meetings to follow up the proceedings of the working papers that would be included in the Egyptian Report for Investment 2009/2010 issued by the Board of Trustees.
 - ✓ Attended meetings and wrote minutes.
- Then worked in the International Cooperation Department in the Chairman's office, where I:
 - ✓ Analyzed economic reports prepared by international organizations, such as the UNCTAD, about investment and FDI whether in Egypt or in other countries.
 - ✓ Attended joint committee meetings between Egypt and other countries at the Ministry of Exterior as a representative of GAFI.
 - ✓ Attended meetings with foreign investors at GAFI.
 - ✓ Wrote memos.

3. Information and Decision Support Center (IDSC), Cairo, Egypt

July 2007- August 2007

Researcher

- Spent a significant amount of time on analyzing the Egyptian Sixth Fifth plan through preparing tables for all the data and numbers reported and establishing economic relations between several macro and micro economic variables discussed in the plan.
- Worked on the Agriculture Farm Income Survey through checking and eyeballing data, examining integrity of the data and preparing acronyms for the agricultural variables and translating them from Arabic into English.
- Attended a conference organized by ECES on "Agriculture and Poverty in Egypt" and a seminar at ECES on "The Monetary Policy in Egypt".
- Searched for information on the internet and in IDSC library.

TRAINING:

- ICDL
- Participated in Public Finance and Financial econometrics courses held out by Georgia State University in FEPS, Cairo University during the period (15/1/2012-26/1/2012).
- Stayed in Cologne, Germany, during the period (20 September 2012-19 December 2012) as a part of a mission to learn about the curriculum in the health economics degree program in Cologne with the aim to support the implementation of a master of health economics at the Cairo University.
- Attended "Cologne Summer School on Health Economics" in Cologne, Germany during the period (21 July 2013 – 28 July 2013) at the Institute of Health Economics and Clinical Epidemiology to learn more about the curriculum and the contents of the health economics degree program in Cologne and the health system in Germany to assist in the introduction of a Master of Health Economics degree at the Cairo University.
